\*3 month memberships are *introductory only* and include a \$100 joiner's fee.

A Joiner's Fee is a one time fee charged to new members when they join. It is a non-refundable tax deductible contribution, and helps us to maintain, improve, and expand our facility. Memberships are non-refundable and non-transferable. Expired or lapsed memberships are subject to the Joiner's Fee upon renewal. Members under the age of 12 must be accompanied by an adult in the building.

The monthly draft allows members to pay by having a credit card charged automatically. Draft membership is continuous, not annual; 30 days written notice is required to cancel. The first payment includes the first and last month's fee and the applicable Joiner's Fee. Subsequent monthly charges are for the rate listed. The Community Campus does not "freeze" accounts.

- ♦ Annual rates are available for all membership types.
